

DAYBREAK™

DRY WATER CONDITIONING AGENT • DRIFT REDUCTION AGENT
DEPOSITION AID • ANTIFOAMING AGENT

Principal Functioning Agents

Sprayable Diammonium Sulfate, Linear Polyacrylamide, Polydimethylsiloxane.....100.0%
All ingredients are exempt from the requirement of a tolerance under 40 CFR 180. **TOTAL...100.0%**

WARNING

KEEP OUT OF REACH OF CHILDREN
READ ENTIRE LABEL BEFORE USING

Hazard Statements

Causes serious eye irritation.
May be harmful if swallowed.
Causes mild skin irritation.
May be harmful in contact with skin.

Precautionary Statements

Wash hands, face and other affected areas thoroughly after handling. Wear protective gloves/ clothing and eye/face protection.

First Aid

Call a poison control center or physician if you feel unwell.

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

Emergency Phone Numbers

Have the product container with you when calling a poison control center or doctor, or going for treatment.
CHEMTREC: (800) 424-9300
POISON CONTROL CENTER: (800) 222-1222

NOT FOR AQUATIC USE

General Information

DAYBREAK is a proprietary blend of micronized ammonium salts that condition tank mix water to minimize hard water mineral antagonism.

DAYBREAK contains polyacrylamide polymer that enhances tank mix viscosity to reduce spray fines for minimizing off target spray drift.

Spray deposition is enhanced by DAYBREAK to provide more uniform spray coverage.

The antifoam ingredient in DAYBREAK suppresses excessive foaming during agitation.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal of this product.

Storage: Store in tightly closed bag in a dry, well ventilated area, away from excessive heat, open flame and incompatibles (oxidizing agents, bases, chlorates, nitrates). Do not allow water or other chemicals to be introduced into contents of bag.

Product Disposal: Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Dispose of contents in accordance with local and national regulations.

Container Disposal: Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Do not reuse empty bags. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.agrecycling.org. Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of containers in accordance with local and national regulations.

Spill: If spill occurs, do not attempt to clean up with water, as area will become slippery. Simply sweep and dispose of material.

DAYBREAK is a trademark of Plantnetics, LLC

Manufactured for:

Plantnetics

15814 Champion Forest Drive, #191
Spring, TX 77379

Directions For Use

Many factors contribute to drift, such as boom height, distance from target area, proper nozzle selection, nozzle configuration, spray pressure, temperature, wind, and thermal inversion.

Use Rates: Use DAYBREAK at 9 to 17 pounds per 100 gallons of water to deliver 1% to 2% w/w of ammonium sulfate.

Always monitor spray patterns for use rates greater than 17 pounds per 100 gallons.

Mixing Instructions

Unless otherwise instructed by accompanying crop protection label, follow these mixing instructions:

1. Fill spray tank one half full of water and begin agitation.
2. SLOWLY add required amount of DAYBREAK to the water at the point of maximum agitation. Vigorous agitation is required to disperse the product. Continue agitation until DAYBREAK is completely dissolved.
3. Continue filling while recirculating. Add herbicides and/or additional adjuvants as directed by the herbicide label. Always read and follow all label directions and observe all precautionary statements on the herbicide label.

Warranty

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Plantnetics, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Plantnetics' control prevent elimination of risks in connection with the use of its products. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
