Hazard Statements

Causes eye irritation.
Causes mild skin irritation.

Precautionary Statements

Wash thoroughly after handling. Wear protective gloves and eye/face protection. Avoid breathing dust, fume, gas, mist, vapor or spray. Do not eat, drink or smoke when using this product.

First Aid

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

POISON CONTROL CENTER: (800) 222-1222

Do Not Allow Product to Freeze!

NOT FOR AQUATIC USE

General Information

FOAM BREAKER is a highly effective foam reducer for use in aqueous spray solutions.

FOAM BREAKER can be used as preventative and curative applications.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal of this product.

Storage: DO NOT FREEZE! Store above 45°F. Store in a well-ventilated place. Keep cool. Store in a tightly closed container. Store in original container only.

Product Disposal: Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Dispose of contents in accordance with local and national regulations.

Container Disposal: Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.agrecycling.org. Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of containers in accordance with local and national regulations.

Directions For Use

Read label before use. FOAM BREAKER should be added to the spray mixture before the pesticide or any additional surfactant is added. Agitation is recommended to aid in dispersion of the various components.

General Use Rate:

Add 1 to 2 fluid ounces of FOAM BREAKER per 100 gallons of spray mixture.

For Recirculating Sprayers:

Add 4 fluid ounces per 100 gallons of spray mixture.

If Foam Has Already Occurred:

Add 6 fluid ounces per 100 gallons of spray mixture.

Warranty

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Plantnetics, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Plantnetics' control prevent elimination of risks in connection with the use of its products. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
