

# Plant-Tech HSCOC™

HIGH SURFACTANT  
OIL CONCENTRATE

## Principal Functioning Agents

Paraffinic Oil, Alkylphenol Ethoxylate, Fatty Acids.....	97.0%
Constituents ineffective as spray adjuvants.....	3.0%
	<b>TOTAL... 100.0%</b>

All ingredients are exempt from the requirement of a tolerance under 40 CFR 180.

## WARNING

**KEEP OUT OF REACH OF CHILDREN**  
**READ ENTIRE LABEL BEFORE USING**

**Hazard Statements**  
Causes serious eye irritation.

**Precautionary Statements**  
Wash thoroughly after handling.  
Wear protective gloves/clothing and eye/face protection.

**First Aid**  
**If in Eyes:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.  
**If Swallowed:** Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.  
**If Inhaled:** Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.  
**If on Skin or Clothing:** Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

**Emergency Phone Numbers**  
Have the product container with you when calling a poison control center or doctor, or going for treatment.  
CHEMTREC: (800) 424-9300  
POISON CONTROL CENTER: (800) 222-1222

**Do Not Allow Product to Freeze!**

**NOT FOR AQUATIC USE**

**General Information**  
Plant-Tech HSCOC is a high surfactant load crop oil concentrate that is effective with a wide range of spray applications.  
Plant-Tech HSCOC replaces traditional crop oil concentrates and is formulated to be used at lower rates where an oil concentrate adjuvant is recommended.

**Storage and Disposal**  
Do not contaminate water, food or feed by storage or disposal of this product.  
**Storage:** DO NOT FREEZE! Do not store below 40°F or above 120°F. Keep cool. Store in tightly closed original container. Keep in a dry, well ventilated area away from excessive heat and incompatibles (oxidizing agents).  
**Product Disposal:** Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Dispose of contents in accordance with local and national regulations.  
**Container Disposal:** Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit [www.agrecycling.org](http://www.agrecycling.org). Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of containers in accordance with local and national regulations.

**Mixing**  
To prepare for pesticide application, fill spray tank 2/3 full with water and begin agitation. Add pesticide or fertilizer as recommended and then add Plant-Tech HSCOC while continuing agitation. Continue to agitate until tank is full and agitate before and during each application.

Plant-Tech HSCOC is a trademark of Plantnetics, LLC

**Directions For Use**  
Read directions and conditions of sale and warranty before purchasing or using this product. Use strictly in accordance with accompanying pesticide label warnings and directions. Plant-Tech HSCOC may be applied by ground, CDA or aerial application equipment along with any other spray equipment recommended by the pesticide label.

**Recommended Rates:** 4 pints per 100 gallons. Exception; spray volume below 12.5 gpa, use 1 pint per acre

**Specific Crop Oil Concentrate Rate Conversions to the Proper Rate of Plant-Tech HSCOC Below**

- **1 pint per acre oil adjuvant recommended on the label:** Apply 0.5 to 0.75 pints of Plant-Tech HSCOC per acre.
- **1.5 pints per acre oil adjuvant recommended on the label:** Apply 0.75 to 1.00 pints of Plant-Tech HSCOC per acre.
- **1 quart per acre oil adjuvant recommended on the label:** Apply 1 pint of Plant-Tech HSCOC per acre.
- **0.5% v/v per acre oil adjuvant recommended on the label:** Apply 1 to 2 quarts of Plant-Tech HSCOC per 100 gallons.
- **1.0% v/v per acre oil adjuvant recommended on the label:** Apply 2 to 4 quarts of Plant-Tech HSCOC per 100 gallons.

**DO NOT ADD THIS PRODUCT AT A RATE THAT EXCEEDS 2.5% v/v OF SPRAY VOLUME.**

**Warranty**  
Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Plantnetics, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Plantnetics' control prevent elimination of risks in connection with the use of its products. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
