Constituents ineffective as spray adjuvants.....	65.0%
TOTAL...100%	

*All ingredients are exempt from the requirement of a tolerance under 40 CFR 180.
 SPRAY-ZONE contains the equivalent of 2 pounds ammonium sulfate/gallon.*

WARNING

KEEP OUT OF REACH OF CHILDREN
READ ENTIRE LABEL BEFORE USING

Hazard Statements
 Causes eye irritation.
 Causes mild skin irritation.

Precautionary Statements
 Wash thoroughly after handling.
 Wear protective gloves and eye/face protection.

First Aid
If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.
If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.
If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.
If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

Emergency Phone Numbers
 Have the product container with you when calling a poison control center or doctor, or going for treatment.
 CHEMTREC: (800) 424-9300
 POISON CONTROL CENTER: (800) 222-1222

NOT FOR AQUATIC USE

General Information
 SPRAY-ZONE is a multi-functional drift/deposition management concentrate and water conditioning agent.
 SPRAY-ZONE minimizes off-target drift, slows spray droplet drying time, enhances spray deposition while reducing hard-water mineral antagonism of herbicide mixtures.
 SPRAY-ZONE contains pH buffering and sequestering agents to enhance pesticide performance.

Storage and Disposal
 Do not contaminate water, food or feed by storage or disposal of this product.
Storage: Store in a well-ventilated place. Keep cool. Store in a tightly closed container. Store in original container only.
Product Disposal: Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Dispose of contents in accordance with local and national regulations.
Container Disposal: Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.agrecycling.org. Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of containers in accordance with local and national regulations.

SPRAY ZONE is a trademark of Plantnetics, LLC

Manufactured for:

Plantnetics

15814 Champion Forest Drive, #191
 Spring, TX 77379
 832-843-3199 • www.plantnetics.com

Directions For Use
 SPRAY-ZONE is intended for use with products registered for agricultural, horticultural, turf, ornamental, industrial, and non-crop use. SPRAY-ZONE should be added to the diluted spray solution prior to the addition of any pesticides.

Ground and Air Rates
Normal Use: 2 to 3 quarts per 100 gallons of water
Hard Water: 3 quarts per 100 gallons of water

Mixing
 Unless otherwise instructed by herbicide label, fill tank one-half full with water and begin agitation, then apply SPRAY-ZONE first to the tank mix while agitating, then add other tank mix ingredients and complete filling spray tank water.

Warranty
 Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Plantnetics, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Plantnetics' control prevent elimination of risks in connection with the use of its products. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
